

ReStart

PROJEKTWETTBEWERB

The project contest „ReStart“ gives all students in the media faculty the opportunity to develop ideas and initiatives that improve the quality of learning, living and studying at the campus. The goal is to create cross-programme & interdisciplinary projects focusing on the exchange between students & teaching staff, re-connecting us and improving networking despite the physical distance we are currently experiencing.

Ideas for a greater “feel good” factor on campus, games, co-working-apps, events, installations, web series etc. - create what you would like to see!

Winners will receive funding of
up to **5.000 €!**

Goals

- Improve inclusion & interconnectedness between students
- Return to on-site learning & lessons
- Focus on campus life (virtual & IRL)
